TRANSDEV

DRIVING BY THE HOUR IT'S MORE ECONOMICAL.

New citizenn car-sharing service.

The ecological solution for people who want to save money and still go wherever they want to.

The advantages of driving by the hour.

A Transdev eco-innovation

Transdev's most recent eco-innovation has arrived – **Citizenn car-sharing** – the new solution for urban mobility, consisting of a car rental service by the hour. When you join Transdev's **Citizenn car-sharing** service you will not only be cutting down on expenses with your private or company car but you will also be contributing to a healthier environment. And because travel needs are unpredictable these days, to have your car available the next minute all you need to do is make a simple phone call or make a quick trip online.

Make your reservation up to five minutes before you leave

5 REASONS TO JOIN

- 1 Everything's included**
Petrol + Maintenance + Insurance
- 2 Available 24 hours a day, 365 days a year**
- 3 You only pay for what you use**
Payment for the service is based on time of use (in hours) and the number of kilometres travelled.
- 4 Flexible**
Modification of reservation made easy, even while you are using the vehicle.
- 5 Ecological**
Studies have shown that each vehicle being used under a **car-sharing** system can substitute 4 to 10 private vehicles, reducing occupancy of urban spaces, traffic jams, noise pollution, road accidents, etc.

WHAT IS CAR-SHARING?

Car-sharing is an innovative means of mobility that lets you rent a car by the hour, by Internet or by phone. It will be available to you the next minute, without complicated paperwork.

This is a new means of individual public transport which, apart from the incomparable advantages it offers to members due to its economy, practicality and flexibility, permits freer mobility and is more environmentally friendly.

WHO IS IT FOR?

Anybody who needs to travel, private individuals or companies, in particular:

- Small and medium-sized companies that don't have a company fleet;
- Big companies that want to reduce the size of their fleet or that are looking for travel alternatives for their staff;
- Adults with a driving licence;
- Families needing transport alternatives and who can't/don't want to buy a new car.
